MEMORANDUM FOR: Chief, Planning and Program Coordination Staff

SUBJECT: IO Division Review of All Revisions of National Security Council Directives

1. It has just come to my attention that IO Division has not generally had an opportunity to review revisions of National Security Council directives. Inasmuch as this Division is concerned with diverse and world-wide activities, the basic authority for which rests largely in the various directives of the National Security Council, I believe it is particularly desirable that a member of the IO staff review all proposed revisions of such directives in order to ensure that suitable comment and suggestions are included for your consideration and that of the Director of Central Intelligence.

2. I shall appreciate it if you will arrange to have Mr. Edward Barnes, Chief, IO [redacted] notified when such revisions are in process, in order that he can arrange to review the drafts in each case, to determine the possible effect of such revision on IO Division activities and to make such suggestions or comment as may be appropriate.
